is pleased to announce the new release of

Devil Worship: A Fan's Voyage
by **Kevin Leyland**

ISBN: 978-1-935444-82-4, Price: \$19

There are many sports played across the world, but only one truly captivates the global community. Some call it soccer and some call it football, but everyone embraces the majesty and splendor that the sport offers to all of its fans. The world's most recognizable soccer club is England's Manchester United, a team that means so much to so many in all corners of the globe. *Devil Worship: A Fan's Voyage with the 2008/2009 Manchester United Red Devils* describes one American's semi-autobiographical obsession with the team that has shaped so much of his life's positive (and sometimes negative) experiences. Readers from America to Australia will appreciate the universal theme of uncontrollable fandom detailed so eloquently by Mr. Leyland. *Devil Worship: A Fan's Voyage with the 2008/2009 Manchester United Red Devils* is a must-read for anybody who cherishes the world's most popular sport above all others.

“This is an excellent first book by a young, American follower of Manchester United and gives a great insight into the difficulties of following football in a country where 'football' means something completely different to the rest of the World.

The book tells the story of the 2008/9 Premiership winning season on a match by match basis, but from the perspective of a man who finds nearly every game a serious logistical challenge. Kevin has to be ultra resourceful to watch his team from the other side of the 'Pond' and uses every method available to the modern man to keep abreast of the Reds' progress. His humorous, informative and passionate account is a joy to read and should be compulsory reading for all those away fans who rubbish non-Manc Reds and gleefully chant "We support our local team!"

AUTHOR BIOGRAPHY

Kevin Leyland has been a soccer fan his entire life and has witnessed every Manchester United game using various media sources for the past five years. Mr. Leyland's astonishing devotion to one of the world's sports icons came as a result of following the team in the UEFA Champions League during his teenage years. *Devil Worship* is Mr. Leyland's tribute to the club that has shaped so much of his life during the past ten years.
